

Communication is my guiding principle in life, allowing me to understand individuals well and interact effectively. I have the ability to adapt to various types of people and collaborate effectively, facilitating the exchange of ideas and perspectives. When plans don't go as expected, I remain calm and tend to improvise. I am very enthusiastic about continuing to grow and gaining new experiences.

WORK EXPERIENCE

- Software Engineer, Kantor Sistem dan Informasi Atma Jaya Yogyakarta** July 2021 – January 2022
 - Creating the back end using .NET Core, which can be accessed by several future interns.
 - Developing a mobile application using the Flutter framework, which is used by students to view profiles, schedules, study grades, attendance, and questionnaires for each course.
- Student Staff, Faculty of Industrial Technology** May 2020 – December 2022
 - Assisting the administration department during public lectures and providing help in delivering goods between faculties.
 - Verifying student certificates for the conversion of student activity points.
 - Creating posters for the faculty and maintaining the faculty's YouTube account.
- Frontend Engineer Freelancer** April 2023 – December 2023
 - Creating an application to help the campus facilitate interaction among alumni and active students in organizations, while also recording students' activity points. Brainstorming sessions will be held every week.
 - I also assist with the backend to create a simple CRUD, if possible for me.
 - My main role remains in the frontend using Vue TypeScript, Vite, and Pinia. Occasionally, if there's no existing UI/UX, I create it myself.

EDUCATION

- Informatics, Atma Jaya Yogyakarta University** August 2018 – January 2023
 - GPA: 3,83
- Senior High School, Frater Don Bosco Banjarmasin** June 2015 – May 2018
 - Vice President of Student Government 2016/2017

ORGANIZATION

- Division Event, HIMAFORKA** September 2018 – August 2020
 - Designing an event such as a public lecture, competition, workshop.
 - Being the emcee on a rotating basis with other members of the event committee.
 - When needed, I am occasionally entrusted with the documentation responsibilities within this organization.
- Student Ambassador, Kantor Kerja Sama dan Promosi Atma Jaya Yogyakarta** September 2018 – September 2019
 - Creating posters, mini-games, and conducting tours to various schools for new student recruitment.
 - Becoming a speaker for Frater Don Bosco High School graduates, providing information about Atma Jaya University at Yogyakarta.

AWARD

- Scholarship Awardee, Cimb Niaga** October 2020 – December 2023
 - Competing alongside more than 24800 scholarship applicants, I became 1 of 50 Kejar Mimpi 2020-2022 CIMB Niaga Scholarship Awardees.
 - Creating content about CIMB Niaga's products four times a week on Instagram.
 - Engaging in social activities in East Nusa Tenggara, teaching elementary school children, providing agricultural assistance, and cleaning coastal areas.
